Orange, Texas : Stark Museum of Art, 1981.

35

Parts could be digitized

Schimmel, Julie,

Stark Museum of Art : the Western collection, 1978 / by Julie Schimmel, with the assistance of Gilbert Tapley Vincent.

Orange, Tex : The Museum, [1978].

243 p :

(The 1978 catalogue of the western collection is out of date, but does provide a listing of items owned up to that point. The essay by Julie Schimmel is a good interpretation, and could be made accessible. The individual biographies are sometimes out of date: new research on artist>)
